

I'm so excited to be in Canada. I can finally study in English and work on my master's. Good thing I studied hard while I was taking English classes and got the IELTS score I need. After I'm done unpacking, the first thing I need to do is start applying for part-time jobs.

Hello, can I speak to Danny? This is Danny. How may I help you?

Hi Danny, this is Charlotte. You had applied for a position with our organization and we would like to schedule a job interview. when are you available?

I am available anytime this week, maybe before my class start.

Great, let's schedule it say for Friday at 11 a.m.

Sounds good to me.

Thank you so much Danny for coming in for the interview.

Your resume and experience is impressive. However, at this time we're going to have to pass. Now that I've had an opportunity to meet you in person, your accent is quite lovely, however it's more pronounced than I had expected. With your accent, I'm afraid that some of our customers may have a hard time understanding what you are saying.
